History of Lourdes Central Catholic School (Nebraska City)

The Lourdes Central Catholic School' "tradition of excellence" began over a century ago. In 1861, Saint Benedict's Parish, with the assistance of the Benedictine Sisters from Pennsylvania, founded a parochial school known as Saint Benedict's School. As the need for Catholic education grew in Nebraska City, Saint Benedict's School was joined in 1865 by Annunciation Academy, an all-girls school, and in 1880 by Saint Mary's School.

Due to decrease in enrollment, Saint Mary's School closed in 1891, and the building was sold to the Nebraska City Public Library Committee. In 1908, Annunciation Academy was also closed due to a lack of funds to repair the deteriorating building.

Over the course of several years, numerous attempts were made to reopen Saint Mary's School. Those attempts proved futile until the Bernadine Madames of Ollingies, Belgium, offered to establish a new school and convent in Nebraska City. In 1909, Saint Bernard's Academy was founded in the former home of Judge William Hayward. Saint Bernard's Academy offered classes for boys and girls and provided a boarding school for the girls.

Due to a change in the state law which disqualified aliens from teaching in public and private schools, the Bernadine Madames left Nebraska City in 1920. The sisters were replaced at Saint Bernard's Academy by the Ursuline Sisters of Kentucky that same year. In 1927, the Ursuline Sisters assumed responsibility for Saint Benedict's School as well. A new Saint Benedict's School building was erected by the sisters and the members of Saint Benedict's Parish in 1951. The structure now houses the present Lourdes primary grades.

An ever increasing student enrollment at Saint Bernard's Academy created a need for a central high school, which would include students from Saint Mary's and Saint Benedict's in Nebraska City, Saint Bernard's in Julian, Saint Paul's in Dunbar and Saint Joseph's in Paul. The central high school was constructed at its present location on Second Avenue and was named the Lourdes Central Catholic School. Shortly thereafter, the high school was joined to an elementary school named Saint Mary's School.

In 1963, the two parishes in Nebraska City consolidated their elementary schools, with Saint Mary's having grades one through five and Saint Benedict's handling grades six through eight. In 1966, Lourdes became a junior-senior high school with grades seven through twelve, and in 1970, grades one through three were moved to the Saint Benedict's School building, while the upper grades moved to the Saint Mary's School building.

Today, the Lourdes Central Catholic School include grades pre-school through twelve and are supported by St. Mary's and St. Benedict's Parishes in Nebraska City, St. Joseph's in Paul, St. Bernard's in Julian, St. Paulinus' in Syracuse, St. Clara's in Peru, Holy Trinity in Avoca, St. Joseph's in Auburn and Holy Spirit in Plattsmouth. The Lourdes system had an enrollment of 305 students for the 2015-2016 school year, comprised mostly of students from the nine supporting Catholic parishes, but also including many students from other faith traditions.

Elementary School Handbook

In light of our mission statement at Lourdes Central Catholic School, the following policies of the Student Handbook for the current school year are directed toward building a “Christ-centered environment which promotes spiritual, academic, and social growth...” These policies, which incorporate the policies of the Diocesan School Policy Handbook, provide a framework by which we (students, faculty, staff, administration and parents) can operate in a safe, just, and productive climate.

F. School Safety.

1. Parent visitors.
 - a. Parents are encouraged and welcome to visit school. For the safety of our students, we ask that you contact the School Office (at the Main Campus) and let your presence be known at the Primary Building. Arrangements should be specifically made by

contacting your child's teacher and/or the School Office, if teacher is unavailable. It is encouraged that parents do not take forgotten items to the classrooms without the School Office knowing. If you would like to visit, contact your child's teacher and set up a visitation date and time.

2. Visitors.
 - a. Students from other schools may be permitted to visit classes at Lourdes only with the permission of an administrator. Customarily, these visits are only from students who are considering Lourdes for school. Permission to visit classes must be obtained three (3) days prior to visitation. Students visiting our school are expected to comply with our dress code.
 - b. All visitors including guests of a student are required to report to the School Office upon entering the building. Parents are always welcome to visit the school, but are required to check with the office prior to visiting.
3. Fire Drills.
 - a. The school will conduct monthly fire drills in compliance with state regulations. When the fire alarm is sounded, all present are to proceed to the nearest exit in a calm and orderly fashion as directed by the fire exit plan. No one will be permitted to return to the school until an administrator gives permission.
4. Tornado Drills.
 - a. In the event of a tornado, or for a drill, the tornado siren will be activated. The alarm is different for a fire: It is a series of short blasts, much louder than that of a fire alarm. At that time, students will proceed to areas designated by the tornado warning plan. Once arriving to the designated area, all should assume a seated position with their hands over their heads positioned between their legs.

5. Lockout/Lockdown Drills.
 - a. Lockout/Lockdown procedures will be initiated by an ‘all call’ over the intercom by any employee of the school. Upon the announcement of a lockout or lockdown, faculty, staff and Administration will apply pre-determined procedures in order to provide for the best determined strategy for the given situation. Regular lockout/lockdown drills will be conducted throughout the school year to provide for varying situations. A lockout/lockdown will conclude with an announcement by an Administrator.
6. Cancellation of School.
 - a. Cancellation of school takes place only in circumstances such as extreme weather, equipment failure, or public crisis. The Administration is aware of the hardship that can be caused by cancellation of school; therefore, school will not be canceled unless a significant safety risk has been created by unusual circumstances. Every practical means will be used to notify parents of cancellation, including the use of SchoolMessenger, the radio (B-103 [103.1 FM and 1600 AM], KMA [960 AM], KFAB [1110 AM], KOTD [1020 AM]) and TV (Channels 3, 6, 7, & 10).

G. Health and Wellness.

1. Medicine.
 - a. Medications at Lourdes Central Catholic School will be provided according to the Medication Aide law. These provisions include:
 - i. All over the counter medications may be provided to the student by the medication aide provided they are sent to school in their original container with written instructions from the parent identifying name of the child, medication, dosage, time for medication and reason/expected results.

- ii. Medications from your doctor for 10 days or less (no refills) may be given in the same manner as above. The label on the medication bottle will act as the doctor's order. Be sure to add parent's written permission also. Ask your pharmacist for a second labeled bottle so you may store medications safely at school and home.
 - iii. Prescription medications to be given more than ten days, as needed, or in an emergency must have a written note from your doctor as well as a parent permission statement. If your doctor changes dosage, etc. ask the doctor to provide you with a written statement as to the change.
 - iv. All medication orders must be renewed each school year. Medication forms are available in the school office. Tylenol, Ibuprofen, and Tums/Maalox will be given to your child if you indicate this is acceptable on the emergency form sent out at the beginning of the year.
2. Influenza Guidelines.
- a. CDC (Center for Diseases Control) guidelines recommend that people with influenza-like illness should stay home for at least 24 hours after their fever is gone (without the use of fever-reducing medicine). A fever is defined as having a temperature of 100 degrees Fahrenheit or 37.8 Celsius or greater. Our school has chosen to adopt these guidelines as our policy.
3. Concussion Protocol.
- a. Parents and students will be provided a copy of the Return to Learn Protocol. State Statute: Return to Learn 71-9104.

- b. This protocol shall recognize that students who have sustained a concussion and returned to school may need informal or formal accommodations of curriculum, and monitoring by medical or academic staff until the student is fully recovered.
4. Asthma/Anaphylaxis Protocol.
- a. In compliance with the Nebraska Department of Education Rule 59, a response team has been trained to recognize the symptoms of anaphylaxis and respond according to the asthma/anaphylaxis protocol. This episode may be the result of a severe allergic reaction to a bee, food, medication, or other allergic reaction. This may also be a severe asthma attack. In both instances breathing is severely compromised and death may be eminent if treatment is not received rapidly. Severe shock and cardiac irregularities may also occur. This team is trained in the use of the Epi-Pen and certified in CPR. In the event of an anaphylactic reaction, the response team would intervene, EMS would be activated and the student/client would be transported to the nearest hospital. **This does not replace the need for students who have an identified risk for a severe anaphylactic reaction from having their own Epi-Pen, as their medication should travel with them wherever they go.** This emergency protocol will be kept at the school. Families with concerns about the program should discuss this with their family doctor. To be excluded from this protocol, families must provide a statement signed by the parent and their family doctor to this effect for each individual student.

II. Academics / Curriculum.

A. Grading.

1. Parents can see their child's grades anytime during the school year by using Parent Connect. After school begins, each family will receive log-on information and an individualized code that will allow them to check their child's grades. Teachers are asked to keep grades current within one week of giving the assignments.
2. Report cards are issued at the end of each quarter. In addition, mid-quarter reports will be sent home each quarter.
3. Work is graded using the following scale:

100-99 A+	92-91 B+	84-83 C+	76-75 D+
98-95 A	90-87 B	82-79 C	74-72 D
94-93 A-	86-85 B-	78-77 C-	71-70 D-
Below 70 F			

B. Homework.

1. Homework is any work done outside of the school day. Homework can be defined as incomplete daily assignments and/or special assignments to be done at home. It should be meaningful to the student and the students should understand the content and directions. Homework should encourage responsibility, effective time management, and independent reinforcement of skills taught. Please visit with your child's teacher regarding his/her homework policy.

C. Parent-Teacher Relationship / Conferences.

1. Parents as Partners. In enrolling your child at Lourdes, you agree to certain important responsibilities. These include:
 - a. To be a partner with the school in the education of your children.
 - b. To understand and support the religious nature of the school.
 - c. To read all communications from the school and to request clarification when necessary.

- d. To know your children's teachers and to observe parent-teacher conference dates and any special requests for meetings.
 - e. To discuss concerns and problems with appropriate personnel.
 - f. To be as actively involved as you can be in the life of the school and to volunteer assistance when possible; to promote your school and to speak well of it to others.
 - g. To meet your financial obligations in a timely manner and to support the fundraising efforts of the school when possible.
 - h. To have an appreciation that Catholic education is a privilege that many persons do not have.
2. Parent-teacher conferences will be held at the end of the first and third quarter for K-5 students. In addition, you are encouraged to conference with your child's teacher if you have any concerns about your child's progress.
 3. How to deal with concerns.
 - a. In the Gospel, Jesus tells us, "If you are bringing your gift to the altar and you remember that your brother or sister has something against you, go and settle the matter and then return and offer your gift (Matt. 5:23-24)."
 - b. The best way to deal with concerns is to first approach the person with whom there is a problem. Thus, if you have a concern about something a teacher has done, you first approach the teacher. Only after efforts to deal with the teacher have failed should the principal be contacted. If you have a difficulty with the principal, you should first contact the principal and try to achieve a solution that is acceptable to all concerned. If you truly cannot reach a good faith resolution with the principal, the School President can be called.

- c. Acting as Jesus would want us to act should be the goal of all in the Catholic school community—pastors, principals, teachers and other staff members, parents and students. We should try to deal with differences of opinion in a manner that indicates to all observers that we are Christians.
- d. Pope Francis talks about “the battle” people face between following the crucified and risen Christ and “falling prey to negativity, cynicism, disappointment, sadness, lethargy”—and the temptation of the “dark joy” of gossiping or complaining about others. We pray that our community will respond to problems with hope and certainty that the Spirit gives us the courage to persevere.

D. Academic Integrity (Cheating and Plagiarism).

1. Students, teachers and the administration will work together to create a school environment that values academic integrity and discourages all forms of cheating and plagiarism.
2. We believe that a person of integrity is trustworthy, respectful, responsible, fair, caring and is a good citizen.

E. Attendance.

1. We believe that regular attendance at school is an extremely important ingredient for each student in achieving his/her fullest potential and we ask your cooperation in seeing that your child attends school each day.

2. The school recognizes that a student may miss school due to illness or at the request of his/her parent or guardian, for non-school purposes. However, families should be aware of the hardship this places on both the student and the teacher and do their best to schedule appointments and vacations on dates that school is not in session. Missed assignments are the student's responsibility. It is at the teacher's discretion if assignments will be given in anticipation of a vacation. Teachers are not required to give assignments in advance. Missed assignments will need to be completed a week after the student returns from a vacation. Two days for each sick day will be given to complete missed assignments.
3. If a child is late for school he/she will be counted tardy. A child is considered tardy if they arrive after 7:56 a.m. This time and any time missed for absences of any kind (doctor appointments, leaving early for ballgames, etc.) will be recorded by the teacher regardless of the reason the student is absent. All time missed will count against the student's attendance record unless the absence is due to a family emergency and/or inclement weather. Basically, students are in school seven hours and fifteen/thirty minutes per day. Perfect Attendance awards will be given to elementary students who have been in attendance all but four hours during the entire year.
4. Parents will be notified by the administration in writing after five absences. After eight absences, a second letter requesting the parents to contact the school will be sent. After ten absences (per semester) or (20 absences) for the school year, the county attorney, as required by state law, will be notified of the excessive absenteeism.

F. Student Assistant Program (SAP).

1. Student Assistance will be offered for all students who have academic and/ or behavioral problems that interfere with his or her learning. Any parent, who doesn't wish for their student to receive services offered by the school, must notify Lourdes Central Catholic in writing by September 1, 2018

G. Mass Attendance / Expectations.

1. As an integral part of our Catholic faith, the Mass is the highest form of prayer and worship we can give to God. "God's deepest desire at Mass is that we become the very thing that we receive, Jesus Christ, the Lamb of God." St. Augustine (354-430 A.D.).
2. The following behavior is expected during Mass:
 - a. Students (grades 1-5) are expected to attend daily Mass during the school year and any other time the priest offers Mass for their class or special activity.
 - b. Students are expected to be on time for Mass and to reverently enter the church.
 - c. Students are to bless themselves with the Holy Water as they enter the church, as a reminder of their baptism.
 - d. Students are to genuflect before entering the pew as a sign of reverence and homage to the Presence of God present in the tabernacle and throughout the Mass.
 - e. Students are expected to fully participate by lifting their voices in song, kneeling, standing, praying, and responding when appropriate.
 - f. Students are to leave the church quietly and in an orderly manner.
3. There will be an 8:00 a.m. all school (K-12) Mass every First Friday of the month at St. Mary's Catholic Church during the school year. Primary students are bused back to the primary building following Mass.

H. Field Trips.

1. Field trips are designed to correlate with teaching units and to achieve curricular goals. A field trip is a privilege and not a right. Individual teachers, in consultation with the administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
2. All chaperones must complete the on-line Safe and Sacred Program and have a background check prior to being a chaperone on a field trip. Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip unless specifically stated by the teacher. All chaperones must be 20 years of age or older.
3. Students who are participating in the field trip must ride the bus to the field trip with their class. Students are allowed to ride home with their parent but a written note should be given to the teacher. Students not on the bus may not participate in the field trip and will be counted absent for the day. Parents may refuse to permit their child from participating in a field trip by stating so in a written note to the teacher. Students who do not attend a field trip will be marked absent for the day.

III. Student Life / Conduct.

A. Student Rights and Responsibilities.

1. Our mission at Lourdes Central Catholic Schools is to provide a Christ-centered, safe environment, which promotes spiritual, academic, and social growth. As a school committed to living and witnessing to the teachings of Jesus Christ, every person (administration, faculty, staff, parents, and students) bears some responsibility for the reputation and image of our school as being followers of these teachings. It is essential that all of us work together to fulfill this mission. Great importance must be placed on the personal and mutual respect, morality, integrity and concern for others in

school and at home. Inappropriate behaviors that are in opposition to these values and goals are detrimental to the mission of this school.

2. Believing that all behavior is a result of choice, a progressive discipline plan has been developed for those who choose to act in a manner that is detrimental to the mission of Lourdes Central Catholic Schools. It is believed that every student has the right to learn and every teacher has the right to teach in a safe environment.
3. Student Rights.
 - a. To learn the authentic teachings of Christ and His Church.
 - b. To receive competent instruction in a relevant curriculum.

If you believe your child is being bullied please report it to your child's teacher or the elementary principal. Bullying will not be tolerated and students who are found guilty of bullying can be suspended or expelled depending on the circumstances.

E. Controlled Substances and Alcohol Use.

1. The use of alcohol or controlled substances by our students is an immoral and an illegal act that cannot and will not be tolerated. Besides having harmful spiritual and physical effects, it is an offense punishable by law. It is the intention of the school to create an alcohol and chemically free environment for the entire student body.
2. If there is an unsubstantiated report that a student is using alcohol or drugs, and if the administration believes there is some legitimacy to the claim, parents will be notified.
3. Any student who illegally possesses, distributes, or is under the influence of narcotics, marijuana, barbiturates, amphetamines, hallucinatory drugs, or alcoholic beverages on school property during the school day at ANY TIME is subject to:

H. Particular Policies and Expectations.

- 1. Arrival/Dismissal.
 - a. Students are expected to arrive at school no earlier than 7:30 AM. The school will provide a morning bus to transport primary students (grades K-2) from the east side of the high school building to the primary building at 7:50 AM. Students riding the bus will wait in room B1. If it is necessary to drop your child off earlier than 7:40 AM, please take them to their classrooms at the primary. When dropping off or picking up children at the primary building, please enter from the south driveway and exit through the north driveway next to the rectory.
 - b. All elementary students (grades 3-5) can enter their classrooms at 7:30 a.m. **Playing outside the building before school is not allowed unless directly supervised by an adult.** Students may wait in the Student Commons or MS hallway until 7:30 a.m.

- c. Please send a note to your child's teacher if you know in advance that he/she will be absent, or call the school office (873-6154) or the primary building (873-3739) if your child attends grades K-2, and report the absence **before 7:45 AM**. Upper elementary classes (grades 3-5) will be leaving for Mass between 7:45 and 7:50 and teachers need to account for all students before leaving for Mass, therefore we are asking that all students be dropped off at school not the church. Classroom doors will be locked when they leave and throughout the day. Access to the building will be through the main (high school) entrance. All students arriving late need to go to the office and wait until their class arrives back from Mass. Every effort should be made to arrive in time for Mass as it is the most important part of your child's day. Late arrivals will be counted tardy.
- d. School dismisses at **3:20 PM** at the primary building. Students can be picked up at the primary building or a bus will be provided to transport students to the Main Campus (West side) at the end of the day. Parents are asked to pick up their children by 3:30 PM. A member of our staff or a parent volunteer will be there to supervise and help your child safely into your vehicle. If you prefer you may park in the parking lot and walk across to get your child. Students will not be allowed to go to the parking lot on their own or walk to the high school by themselves.
- e. Elementary students (grades 3-5) are dismissed at 3:34 PM and will be walked over to the drop off area in front of the main high school entrance. This area will allow for protection during rainy or snowy days and will be monitored by a volunteer. If parents are waiting for middle school or high school children they are asked to park in the parking lot not on the street. Extreme caution and courtesy in picking up your children should be practiced at all times. Parents

- are asked to enter the main parking lot from the east and exit to the west.
- f. At the end of the day, students are to go home immediately unless they are involved in a school function or are supervised by a faculty member. Elementary students will be pre-taught dismissal expectations but will only be supervised until 3:45 p.m. Examples of these expectations are as follows:
 - i. Stay on the sidewalks at all times.
 - ii. Watch for your ride. Look both ways before entering the street to get in a vehicle.
 - iii. If you are walking, stop at the corner and look both ways before crossing.
 - iv. No swinging book bags or wrestling around while waiting.
 - v. Playing behind the school is not allowed.
 - g. Please do not leave your child at the school to wait unsupervised. We have several sexual predators living in the Nebraska City area and we do not want to put our children in harm's way by leaving them.

- a. The following rules pertain to bus transportation. In addition to emphasizing safety, they are also meant to remind students that the bus is an extension of the classroom. Riding the bus is a student privilege that, if abused, may be suspended or revoked.

 - b. Students are thus notified that the school administration, while possibly not initially involved in securing information in the sharing process of electronic information, will follow normal investigative procedures if a possible school violation and/or activity suspension may be involved.
- 4. Cell Phones/Email Addresses.
 - a. Permission must be obtained from a teacher or administrator before a student may use a personal cell phone during school hours. Cell phones should not be on during the course of the day. If a student is caught using their cell phone or the teacher becomes aware that the phone is on (rings during class) the following actions will be taken:
 - i. For the first violation the phone will be confiscated for the rest of the day.
 - ii. For the second violation the phone will be given to the principal until arrangements can be made for the parent to pick up the phone.
 - b. E-mail addresses obtained through the enrollment process are used for communication purposes only.

5. Change of Address/Telephone.
 - a. It is important that every family maintains an up-to-date address and telephone number in the school office. Please notify the school immediately if there is a change of address or telephone number.

 - b. Invitations for private parties will not be distributed at school. In addition, any thank you notes that are of a personal nature should not be distributed at school.
 7. Book Covers.
 - a. Students are asked to cover all hardbound books with a book cover (paper sack). This helps protect and extend the life of the book. Please do not use the stretchy cloth book covers on the market. These break down the spine of the book.
 8. Dress Code – See Appendix C.
- I. Supervision at School Events.
- a. Parents with minor children are expected to actively supervise their children at all times. Students who attend the home volleyball and basketball games are to stay in the gym, concession area, or high school restroom area. No student should be on the east side of the gym or outside without adult supervision. Elementary students are expected to conduct themselves as young ladies and gentlemen at athletic games and other events. Those who do not act in an acceptable manner will be asked to leave. If the behavior of a student continues to be of a disruptive nature, the student will not be allowed to attend after school activities. Parents can prevent such situations by maintaining close supervision over their children at activities.

J. Sportsmanship.

1. Good sportsmanship and good conduct go hand-in-hand. Parents, students and coaches are expected to abide by the following:
 - a. Always exemplify the highest moral character, behavior, and leadership.
 - b. Abide by the rules of the game in letter and in spirit, regardless of the outcome.
 - c. Always respect the integrity and judgment of the game officials.
 - d. Never use profanity.
 - e. Display modesty in victory and graciousness in defeat.

K. Lourdes Elementary Parent-Teacher Organization.

- A. The Lourdes Parent-Teacher Organization, formerly known as Lourdes Home and School Association, is an important connection between the parents, teachers, and the school. All parents are considered members of the Elementary Parent & Teacher Organization and will be called upon to help provide assistance with the fall soup supper and the spring fundraiser. This money goes to build community. This group meets regularly during the schoolyear. Childcare is provided and the meetings are from 7:00-8:00 PM.

L. Lourdes Event.

- a. The Lourdes Event is an all school fundraising dinner and auction that is held annually. Parents from each class are asked to contribute to a class project, serve on organizational committees such as: publicity, acquisition of silent auction items, advertising, decorations, set-up, sponsorships, and ticket sales. All parents are also asked to prayerfully consider attending the event. Proceeds from the evening support our general budget and greatly benefit our school.

CONCLUDING REMARKS

The above stated policies are meant to be guidelines, are not meant to be all inclusive, and are subject to review and change. Non-enforcement of any of the rules or regulations does not serve as a waiver of their future enforcement. This handbook does not create any restriction upon Lourdes Central Catholic School's right to institute any course of disciplinary action that, in Lourdes School's sole discretion, it believes is necessary and consistent with its Catholic educational mission. The final judgment regarding the interpretation, implementation and enforcement of the above policies is left to the administrators of the school. As stated in the beginning, these policies give us all a framework in which we can operate to promote a safe, just, and productive environment for the students at Lourdes Central Catholic School. By our adherence to these policies, the goal of spiritual, academic, and social growth can be realized by all our students.

APPENDIX B: DRESS CODE

INTRODUCTION/OVERVIEW

We are “temples of the Holy Spirit, God dwelling within.” (1Cor 6:19) Lourdes Central Catholic (LCC) students should reflect this conviction. APPENDIX C: CHEATING AND PLAGIARISM

- I. Integrity is an important quality that is expected of us as Christians. Cheating and plagiarism demonstrate a lack of character that is inconsistent with the goals and values of Lourdes Central Catholic School. These acts are academically dishonest as well as an ethical offense. Education is based on learning specific skills, forming lifelong work habits, and developing mature coping skills according to each student's unique abilities. True self-esteem is based on competence. Cheating and plagiarism robs students of their opportunities to become competent. In order to meet the demands of work, society, and the future, students must identify their own strengths and weaknesses to best prepare themselves for the choices and challenges of life.

- II. CHEATING may be defined as intending to deceive and act dishonestly. Students who knowingly or negligently allow their work to be used by other students or who otherwise aid others in academic dishonesty are as guilty of cheating as the student who receives the material. Cheating includes, but is not limited to, the following examples:
 - A. Exchanging assignments with other students, either handwritten or computer generated, whether you believe they will be copied or not.
 - B. Taking credit for group work when contributions have not been an equal or appropriate share toward the final result.
 - C. Using summaries or commentaries (such as Cliffs Notes, etc.) instead of reading the assigned materials.
 - D. Copying another person's work, in whole or in part, by any method and turning it in as one's own work. Both the person copying and the person whose work is being copied may be in violation.
 - E. Turning in an original paper or project more than once for different classes or assignments without a teacher's specific authorization.
 - F. Receiving unfair assistance from another student, a parent, a computer program or electronic device, graphing calculator, palm pilot, or any other unauthorized source on an assignment or project that was meant to be done alone.
 - G. Using a computer or other means to translate an assignment from one language to another language and submitting it as an original translation.
 - H. Retrieving or communicating unauthorized information—whether on paper, in electronic form, on the student's person, or from another student—during a closed test. This includes any student who does not secure his/her paper so that other students have the opportunity to copy.

- I. Having prior access to an upcoming exam or quiz, whether obtained from a previous student or stolen. This includes information given or received verbally or in any other form.
- J. Falsifying or fabricating data, citations, or observations, including computer output, in any instance, including laboratory and science fair experiments.
- K. Altering grades or grade records.

III. PLAGIARISM may be defined as using and representing the words or ideas of another, in whole or in part, as one's own. Any use of outside sources without proper acknowledgment will be seen as intent to deceive by plagiarism. It will be presumed that students who allow their work to be plagiarized also do so with the intent to deceive. Plagiarism applies to words or ideas taken without proper acknowledgment from any source—from published material, from any Internet site, from any material written by another person, from any electronic medium, or from any other source that is not the student's own creation. Plagiarism includes, but is not limited to, the following examples:

- A. Taking someone else's assignment or portion of an assignment and submitting it as your own.
- B. Submitting material from any outside source without proper acknowledgment.
- C. This applies to the use of an entire paper, entire sections or paragraphs, sentences or just phrases, whether the wording is exactly from the source or is paraphrased from the source.
- D. Submitting purchased papers as your own.
- E. Submitting in whole or in part an assignment written for another course without the specific authorization of the teacher accepting the assignment.
- F. Supporting plagiarism by providing your work to others, whether or not you believe it will be copied.

When there’s a winning,
We always say:
“We’ve got the Knights
That know how to play”.

All the other teams are falling
Wishing that they could
Fight! Fight! Fight!

Go Big Blue! Go Big Blue!
Go Big Blue! Go Big Blue!
